PREFACE

This brochure presents the work, mission, and verified impact of Hope and Empowerment Foundation GH LBG (HEF-GH) as of the 2026 Edition. It is intended to introduce our organisation to partners, government agencies, diplomatic missions, donors, and members of the public who share our commitment to sustainable human capital development and community empowerment in Ghana.

HEF-GH was established on the conviction that poverty is best addressed not through short-term relief alone, but through deliberate investment in people — their education, their character, their skills, and their dignity. Every programme described in the following pages, from Mindset First to FVESTA to the Hope Restoration Orphanage Outreach Project, reflects this conviction in practice.

We invite you to read further, to engage with our work, and to consider how we might build a lasting partnership toward a self-reliant Ghana where every individual thrives in dignity.

A MESSAGE FROM OUR FOUNDER

It is with a heart full of gratitude that I welcome you to this brochure and to the work of Hope and Empowerment Foundation GH LBG.

HEF-GH was born out of a simple but urgent conviction: that every child, every young person, and every woman in our communities carries within them the capacity for greatness — and that this capacity too often goes unrealised, not for lack of ability, but for lack of opportunity. Our task, as I see it, is not to give people a future, but to give them the tools, the mindset, and the support to build one for themselves.

Over the course of our journey, we have walked into classrooms and watched young minds discover that leadership is a mindset, not a title. We have stood beside women and youth learning trades that will feed their families for years to come. We have visited children in orphanages who simply needed to know that someone, somewhere, had not forgotten them. Each of these moments has convinced me further that our mission is not just necessary — it is possible.

None of this work is done alone. I am deeply grateful to our Board of Directors, our staff and volunteers, our partners in government and civil society, and every individual and organisation who has believed in this vision enough to stand with us. As we look ahead, we remain committed to our Seven Core Pillars and to the communities who have placed their trust in us.

I invite you — whether you are a government partner, a diplomatic mission, a donor, or simply a reader who cares about the future of our communities — to join us in this work. Together, we can continue empowering communities, nurturing hope, inspiring futures, and transforming lives.

With sincere gratitude and unwavering commitment,

Rev. Francis Kofi Takyi Adams
Founder, Executive Director & CEO

A CLOSING WORD

As you reach the close of this brochure, we hope you carry with you not only facts and figures, but a sense of the people behind them — the students discovering their potential through Mindset First, the women and youth building new livelihoods through FVESTA, and the children finding renewed hope through the Hope Restoration Orphanage Outreach Project.

Every number in this brochure represents a life touched, and every life touched represents a community strengthened. This is the work of Hope and Empowerment Foundation GH LBG, and it is work we cannot do alone.

We extend our sincere gratitude to every partner, volunteer, donor, and well-wisher who has walked this journey with us thus far. To those encountering our work for the first time through this brochure, we extend an open invitation: reach out to us, visit our programmes, and let us explore together how we might build a lasting partnership in service of a self-reliant Ghana.

Thank you for taking the time to know us. We look forward to the opportunity to work alongside you.
